POMEGRANATE FRUIT PULP –PUREES- CONCENTRATE

POMEGRANATE FRUIT CONCENTRATE

Melrose Naturals, We are a trusted **Pomegranate Juice Concentrate Supplier and exporter in India**, offering high-quality products processed under strict hygienic conditions to retain natural taste and nutritional properties.

Pomegranate Juice Concentrate is a dense, flavourful extract derived from the juice of pomegranates. We offer pomegranate juice concentrates sourced from various origins. As per research pomegranate is one of the most consumed juices in the world. Owing to its numerous applications, pomegranate juice concentrates have huge potential in India.

The pomegranate juice concentrate offers several benefits compared to fresh fruits. Pomegranate Juice concentrate is predominantly sourced from various part of India as they are known for pomegranate processing. We also source from different origins based on customer's requests.

- **Extended shelf life:** Concentrate boasts a longer shelf life due to its stringent processing methods and aseptic packaging.
- **Cost-effective:** Concentrate offers a cost-effective solution as it requires less transportation and storage compared to its fresh juice counterpart.
- **Intensified Flavour:** Concentration intensifies the naturally tart and sweet pomegranate flavour, requiring less for a powerful taste experience.
-

PINEAPPLE FRUIT PULP –PUREES- CONCENTRATE

Pineapple

The roots of our **pineapple puree and concentrate** trace back to South America, where this exotic fruit originated before captivating Europe in the 17th century. Through the ages, Hawaii claimed dominance in **pineapple** production during the

20th century, succeeded by Brazil and the Philippines. **Pineapple**, ranking as the third most significant tropical fruit globally, finds its prime cultivation regions in **Kerala, Karnataka, and West Bengal of Indian States**.

Melrose Naturals, We Commitment to excellence is reflected in the crafting of our **pineapple puree and juice concentrate**, meticulously derived from handpicked, mature, and top-quality **pineapples**. The entire manufacturing process adheres to stringent hygienic standards, with constant monitoring ensuring the highest quality. **Melrose Naturals** has earned its standing as a preferred **pineapple puree and concentrate** manufacturer in India through our dedication to international standards and the delivery of impeccable customer service.

Pineapple Pulp Concentrate

Melrose Naturals is a trusted name in the industry, offering high-quality Pineapple Pulp Concentrate made from ripe, golden-yellow pineapples grown in the tropical regions of India. As a reputed pineapple pulp manufacturer in Tamil Nadu, we specialize in producing natural pineapple pulp that meets the highest standards of purity, taste, and safety.

Our aseptic pineapple pulp concentrate is processed without any artificial preservatives, gums, or colors—ensuring a clean-label product ideal for global food processing industries. Whether you're looking to buy pineapple pulp in bulk for juices, desserts, ice creams, or jams, we supply consistent quality with reliable service.
