RED PAPPAYA FRUIT CONCENTRATE

Melrose Naturals, We are a trusted Red Papaya Concentrate **Supplier and exporter in India**, offering high-quality products processed under strict hygienic conditions to retain natural taste and nutritional properties.

Papaya concentrate is extracted from red papayas, a luscious tropical fruit. **Red papaya** is predominantly cultivated in Tamil Nadu, Andhra Pradesh, Karnataka, and Kerala. Papayas are grown in all tropical regions. India is the largest producer of Papayas and contributes to 45% of the world's production.

Melrose Naturals Export Red **papaya concentrate**, the **Red Papaya concentrate** from the finest quality of red papayas, maintaining commercial sterility without losing the freshness, taste, and quality. India has many **Papaya concentrate** manufacturers since India leads the papaya cultivation. Our product is well accepted by the customers across domestic and international markets because of its uncompromising quality.

We ensure every batch meets international quality and food safety standards. Free from artificial preservatives, gums, or colors, our

Red Papaya Concentrate is a clean-label solution for food and beverage manufacturers seeking consistent quality and performance.
